

No Stomach For Cancer Grant for Gastric Cancer Innovation, Education, and Opportunity Application Instructions

Thank you for applying for No Stomach For Cancer's Grant for Gastric Cancer Innovation, Education, and Opportunity. To ensure timely processing of your grant application, please follow these instructions and return on or before the submission deadline.

Formatting:

Use 12 pt. Arial font, single-spaced, and compile all additional materials (Sections 1-7) into a single PDF. Please include the project title and investigator's last name in the header of each additional page, and 'Section #: section page # (document page #)' in the footer of each additional page.

Submission Deadline:

Please email the completed application to admin@nostomachforcancer.org by **April 1, 2020, at 5PM Eastern Standard Time.**

Section 1: General Grant EOI Information

Complete the fillable PDF form provided.

Sections 2-3: Abstract and Proposed Research

In five pages or less, please describe your proposed project. Please include a section for each of the following: rationale for the research, research design and methodological approach, research impact, anticipated results and significance, qualifications, and expertise of the research team. Please include references (limit two pages) separately.

Section 4: NIH Biosketch (For US-based researchers)

If applicable, please provide an NIH Biosketch for the Principal Investigator.

Section 5: Lay Summary

In layperson language, please summarize your research project in 300 words or less.

Section 6: Research Facilities Available

In one page or less, please describe the resources available for this research project. Include laboratory and office space where research will be conducted, major equipment, clinical facilities (if relevant), and support staff.

Section 7: Budget Proposal

In the table provided, indicate how research funds will be allocated.
